WAR STARTS HERE
LET'S STOP IT HERE

Every two years, the global arms trade comes to the ExCel Centre, in East London.

This is where those who profit from war, repression and injustice do business.
This is where we can stop them.

WEAPONS FOR SALE IN LONDON

Every two years weapons, military equipment and the tools of repression are exhibited for sale at DSEI (Defence and Security Equipment International).

DSEI is one of the world's largest arms fairs and it's returning bigger than ever in 2027.

The event is attended by arms dealers, military personnel and delegates from some of the world's most violent and undemocratic regimes. The UK government fully supports DSEI, and members of the cabinet are often in attendance.

YOU can do something to stop the death, destruction, displacement and ecological collapse that these weapons cause. **YOU** can help to **STOP THE ARMS FAIR.**
